

# Love That Lets Go (feat. Billy Ray Cyrus)

## Hannah Montana

There's a gold frame that sits by the window  
And my heart breaks a little more each time I try  
To picture the memory inside There's an old book that's too hard to read it  
But if you look you'd see how you look through me eyes  
But now one more chapter's gone by, and I know It's time to move on and even though I'm not ready  
I've got to be strong and trust where you're heading  
Even though it's not easy  
Right now the right kind of love  
Is a love that lets go, go There's an old dance that we've done forever  
You give me your hand but let decide when to reach  
You always let me be me  
But now's my time to take chances  
And find my own wings  
And whatever happens I know you'll be there waiting for me It's time to move on and even though I'm not ready  
I've got to be strong and trust where I'm heading  
Even though it's not easy  
I know the right kind of love  
Doesn't wanna miss the future  
By staying in the past  
It will always hold on, but never hold you back  
And even though it's not easy (it's not easy)  
Right now the right kind of love  
Is a love that lets go, go It's time that I let you  
With a love that lets go
