

It's Gonna Be a Long Night

Ween

Heard that you are new in town
Someone said you party down
Well, later I'll be comin' 'round
We'll rack 'em up and suck 'em down
Don't call your mother, don't call your priest
Don't call your doctor, call the police
You bring the razor blade, I'll bring the speed
Take off your coat, it's gonna be a long night
There'll be no 2nd chance for you
Tomorrow you'll be black and blue
Show your friends your new tattoo
911 won't help you, fool
You're gonna suffer, you're gonna bleed
I've heard it all before, you will concede
I'm takin' everything, you're goin' down
Lock up the doors, it's gonna be a long night
