

Desire (Shanghai Surprise Remix)

Geri Halliwell

I 'm a sure-fire pussy cat
I ain 't gonna tell you that
I 'm giving myself away
You 're a real catch that 's a fact
I am gonna tell you that
Baby I want you to stay My fever 's high your tide is low
Just don 't forget to love me
No no no no Whatever you sold me
Whatever you feed me
It 's taking me over and over
I 'm the cat that can fight it
Whenever I need it
Your kiss kills me with, desire Young gun you 're the one
Lift me up and take me on
Just like you did in my dream
Sweet man I know you can
But I would never tell you that
Baby I 'm diggin ' your scene My fever 's high let 's roll the dice
But don 't forget I love you
No no no no Whatever you sold me
Whatever you feed me
It 's taking me over and over
I 'm the cat that can fight it
Whenever I need it
Your kiss kills me with You 're contagious, I 'm confusing
We can take this anywhere we like it
You 're amazing, so amusing
Your kiss kills me with desire Whatever you sold me
Whatever you feed me
It 's taking me over and over
I 'm the cat that can fight it
Whenever I need it
Your kiss kills me with, desire
