Senseless Fight

Caliban

I've got the space I need
I've got the air to breath
I've got the mood to bleed
I need to breath to bleedThis senseless fight will never end,
You teach me to forget
I can not winI feel weak and helpless,
This prison make me sick
You teach me to forget
But forget means disrespectThis senseless fight will never end,
(Will never end)
You teach me to forget
I can not win
