You Say Yes

Judas Priest

You were sayin' you want to rip it paint the town red
Wanna do the hot spots, get it in the head
You drivin' me crazy, I know your game
You done it all before, you'll do it all againYou say yes, I say no
You say yes, I say noMy blood's on fire I grit my teeth
You're nothin' but a teaser gimme some relief
I'm lookin' at the bottle sinkin' to the floor
I gotta white knuckles can't take it anymoreYou say yes, I say no
You say yes, I say noWhy do you treat me so
What I do, what I do, what I do?
I do for you, you, youYou say yes, you say yes, I say no, no, no, no
You say yes, you say yes, but I say no, no, no, no, no, no
You say yes, yes, but I say no, no, no, no, no
But you say yes, yes, well I say no, no, no, no, no, no, noYou say yes, I say no
You say yes, I say no
You say yes, I say no
