

# Never Give You Up

Amy Grant

There's never been a doubt  
But sometimes I feel afraid  
We need to talk it out  
That always makes it okay Sometimes friends don't understand  
The love I have for You  
But everywhere I go, I know  
I just want more of You I will never give You up Lord  
Not in a million years  
I will never give You up, never give You up  
For as long as I live  
I will never give You up Lord  
Not in a million years  
'Cause You have put this love inside my heart I know You know me well  
You know it's struggle that's in my mind  
But since You hold my heart  
I'll leave the struggles behind I don't have to understand  
This love I have for You  
'Cause everywhere I go, I know  
I just need more of You I will never give You up Lord  
Not in a million years  
I will never give You up, never give You up  
For as long as I live  
I'm so glad I found You, so glad I found You  
Want to build my life around You  
Oh, You've got to know  
That I'll never let go of You, never let go Oh, I will never give You up Lord  
Not for a million years  
I will never give You up, never give You up  
For as long as I live  
I will never give You up Lord  
Not for a million years  
'Cause You have put this love inside my heart Never give You up Lord  
For a million years  
I will never give You up, never give You up  
For as long as I live  
I will never give You up Lord  
For a million years  
'Cause You have put this love inside my heart Never give You up Lord  
For a million years

I will never give You up, never give You up  
For as long as I live
