

Turn On Your Love Light

Grateful Dead

Without a warning you broke my heart
You took it, darlin' and you tore it apart
You left me sitting in the dark, crying
You said, your love for me was dying
I'm begging you, baby, baby, please
I'm begging you baby, baby, please
Turn on the light, let it shine on me
Turn on your love light, let it shine on me
Let it shine, shine, shine, let it shine
And I wanna know, [Incomprehensible]
I get a little lonely in the middle of the night
I need you, darlin', to make things alright
Come on, baby, come on, please

Come on, baby, baby, please
Turn on the light, let it shine on me
[Incomprehensible] on your love light, let it shine on me
A little bit higher, a little bit higher
Just a little bit higher, a little bit higher
A little bit higher
Come on, baby, come on, please
I'm begging you, baby, I'm down on my knees
Turn on the light, let it shine on me
Turn on your love light, let it shine on me
I feel alright, I feel alright
I feel alright, I feel alright, baby, let it shine
