

Paranormal

Cause 4 concern

Shadow on my shoulder
Someone's watching me
Shadow on my shoulder

A lost entity

Subtle and silent

A whisper on the wind

Benevolent and quiet

Uneasiness sets in

Covert and controlling

Random acts of fate

Conscious yet consoling

Opportunity's the bait

Coincidence, cohesion

Right time and place

Spirit of believing

In that mindspace

Evidence can only be found within

Feel the presence under your skin

Shouldn't fear what you can't see

What will be is supposed to be

Let the spirit free

Shadow on your shoulder

Someone's watching you

Shadow on your shoulder

You can't believe it's true

Subtle and silent

A whisper on the wind

Benevolent and quiet

Uneasiness within

Paranormal, paranormal

Paranormal

Paranormal, paranormal

Paranormal

Evidence can only be found within

Feel the presence under your skin

Shouldn't fear what you can't see

What will be is supposed to be

Let the spirit free
