# Rainbow

## Marmalade

Rainbow
Look me up, look me down
Rainbow
You were fun to have aroundI was dreamin'
Of the love I had to share
Never thinkin'
You were here, you were thereNot a word, not a sound
Couldn't see or even feel the ground
A pot of gold, I was sold
By the way you let it flyRainbow
Look me up, look me down
Rainbow
You were fun to have aroundI was dreamin'
Of the love I had to share
Never thinkin'
You were here, you were thereRainbow
Look me up, look me down
Rainbow
You were fun to have aroundNow I'm changing
For the better, for the day
Feel like singing
All the colors you conveyCome on home, keep me warm
And love me till the new days born
And I pray, you will stay
For ever in my eyes
