

Better Days

Breaking Benjamin

Carry me places I'd rather be
Well mannered gardens well tempered seas
We're gathered in reason I should believe
That this is different that this isn't free
How could this be I'm on my way to better days
I'll find my faith, I'll find a way
I'm on my way to better days
I'll find my faith I will slip again, and you'll find me
I will live again, and you'll find me
Run, and carry the meanings of your past I'm on my way to better days
You'll find your faith, you'll find a way
You're on your way to better days, you'll find your faith I'm on our way to better days
We'll find our faith, we'll find a way We're on our way to better days,
We'll find our faith, we'll find a way
We're on our way to better days,
We'll find our faith I'm on my way
I'm on my way to better days
I'll find my way
We'll find our faith
Find our faith Find our way
Our way
Find our way
