

# If I Said I'm In Love (Suicide)

Mizgin

It'd be suicide if I said I'm in love with you  
Hey, it'd be suicide if I said I'm in love with you  
'Cause you left me stranded  
I was down and out  
Didn't think you could  
Never knew you would, no  
It'd be suicide if I said I'm in love with you I've been thinking 'bout the things that we been going through  
Never wanted, never saw it  
Didn't think it through  
I've been drinking, I've been drownin'  
Tryna forget you  
Tryna forget you  
Tryna, tryna forget you The one thing that I know I can't have  
Is something that I want so bad  
I'm all out of excuses  
Time for me to take control, oh It'd be suicide if I said I'm in love with you  
Hey, it'd be suicide if I said I'm in love with you  
'Cause you left me stranded  
I was down and out  
Didn't think you could  
Never knew you would, no  
It'd be suicide if I said I'm in love with you Living lies, living secrets lives that no one knew (Knew)  
In denial of the picture right in front of you (You)  
What we couldn't, what we wouldn't  
What we shouldn't do (Do)  
What we shouldn't do  
What we, what we shouldn't do The one thing that I know I can't have  
Is something that I want so bad  
I'm all out of excuses  
Time for me to take control, oh It'd be suicide if I said I'm in love with you  
Hey, it'd be suicide if I said I'm in love with you  
'Cause you left me stranded  
I was down and out  
Didn't think you could  
Never knew you would, no  
It'd be suicide if I said I'm in love with you
