

# Break Down The Walls

**Ross Lynch**

Whoa, yeah  
Stop, hiding out in the shadows  
Scared to show the world you exist  
Don't, lock yourself in the darkness  
The world is so much brighter than this  
Ya if you never take the shock  
You never gonna win  
So turn it all around andBreak down the walls whoa  
Come on and give it everything you get  
Take a chance, make a stand and  
Break, break, break down walls whoa  
Break down the walls whoaBreak down the walls whoa  
Come on and take a chance make a stand and  
Break, break, break down the walls  
Break down the walls
