Leave a Light On

Marble Sounds

Sure I can leave a light on
Let it shine on, leave it till dawn
Sure I can leave a light on,
Leave a light on for you.

It takes two to find a way out
there is no doubt I will be round
If you have lost a right track
then I'll lead you right back.

Don't search to find a
smile you'll still be nice
Don't run just to get there on time.
Be amazed simply blown away
Live on without getting off your clock.
Sure I can leave a light on,
leave a light on for you.

Sure I can play a quiet song,
I could just strum, be the soft drum
Sure I can play a quiet song,
play a quiet song for you.

It takes you to make my heart say
To let air in and keep breathing
It takes two to keep the vibe trip
I am waiting for you.

It struck me again, we both look the same
But what you make appears in our shapes
I should impress but nevertheless
I cannot change night into day
So sure I can leave a light on,
leave a light on for you.
