What the deal baby let the deck rise
Is that all yo body right
No support to keep you tight with them banging ass hips and thighs, oh my
Got the fellas on 10 especially, especially me
The way you poking them thangs at me

Don't stop now cause you peep me checkin you
I'm checkin to try to see what hotel to checkin to with you
Got the tightest body seen
Bounce that thang, it's working me
I know you doin it purposely, come on
Let me holla girl how you goin act
Like a baller's bank you stack
Love the way move it from the back
Girl you so rithickulous
Baby bounce that body like that
Clothes fittin tight on a body like that
You make it hard when you shake it like that
