

Fall At Your Feet?

Busted

I'm really close tonight
I feel like I've been moving inside her
I'm laying in the dark
I think that I'm beginning to know her
Let it go
I'll be there when you call Yeah whenever I fall at your feet
And let your tears rain down on me
Whenever I touch your slow turning pain You're hiding from me now
There's something in the way that you're talking
The words don't sound right
But I hear them all moving inside you, go
I'll be waiting when you call And Yeah whenever I fall at your feet
You let your tears rain down on me
Whenever I touch your slow turning pain The finger of blame has turned upon itself
And I'm more than willing to offer myself
Do you want my presence or need my help
Who knows where that might lead
I fall, I fall Whenever I fall X4
