No Sign Of Life

Emma Bunton

I wake up crying and I think of you
There's something dying and my world lines broken in two
A voice says, "Get out of bed"
But instead I lay back and go out of my head
I've never been here at the crying stage
Was I the fool who never turned to read the last page?
And now it's another day
You're gonna pay for the love that I gave away
Baby, it's all that I can do
To hold back the love I feel for you
All I can think about is getting through
Now that I know that there's
(No sign of life)
Living without you
(No sign of life)
Can't seem to face the truth
(No sign of life)
Can't breath without you
(No sign of life)
So, how am I gonna get through?
No more pretending that my luck has changed
Won't see me crying but the tears still flow through my veins
I know that I'm getting strong
'Cause the tears that you see won't be there too long
Baby, it's all that I can do for you
To turn back the hate I keep for you
Now all I can think about is getting through
Now that I know there's
(No sign of life)
Living without you
(No sign of life)
Can't seem to face the truth
(No sign of life)
Can't breath without you
(No sign of life)
How am I gonna, how am I gonna
How am I gonna get through?
Get through without you?
(No sign of life)

Living without you
(No sign of life)
Can't seem to face the truth
(No sign of life)
Can't breath without you
(No sign of life)
How am I gonna
(No sign of life)
Get through living without you?
(No sign of life)
Can't seem to face the truth
(No sign of life)
Can't breath without you
(No sign of life)
How am I gonna get through?
