

Winter Song

Chris Rea

It's a cold, cold feeling
On a real lazy wind
That blows all the way trough you
And the autumn beginsHow it cuts like a sabre
How it chills to the bone
You've got cold feet and fingers
And you're thinking of homeIf I put my arms around you
Turn you in from the storm
From your autumn through winter
Darling I'll keep you warmMy overcoat's empty
Deep, wide and long
I got room for you darling
Till your winter, till your winter has gone
