

# Skinnyman (Need For Speed Most Wanted OST)

## Static-X

My little girl  
Where are you?  
My fucked up world  
Destroyed you  
Day after day  
Day after day  
I get it now  
I just go on without you  
Twisted inside  
Six miles high  
I rehearse how to  
Say goodbye to youSkinnyman  
Turned into a monster  
I'm a motherfuckerWrap it up tight  
Emotions are distorted  
It's no surprise  
Nothing alive  
All hope has been aborted  
Day after day  
Day after day  
I get it now  
I just go on without you  
Twisted inside  
Six miles high  
I rehearse how to  
Say goodbye to youSkinnyman  
Turned into a monster  
I'm a motherfucker  
Inside I'm dead  
All used up  
God damn I miss her
