Ordinary World

Duran Duran

Came in from a rainy Thursday on the avenue

Thought I heard you talking softly

I turned on the lights, the TV, and the radio

Still I can't escape the ghost of youWhat has happened to it all?

Crazy someone say

Where is the life that I recognize?

Gone awayBut I won't cry for yesterday

There's an ordinary world

Somehow I have to find

And as I try to make my way

To the ordinary world

I will learn to survivePassion or coincidence once prompted you to say

"Pride will tear us both apart"

Well now prides gone out the window

Cross the rooftops, run away

Left me in the vacuum of my heartWhat is happening to me?

Crazy someone say

Where is my friend when I need you most?

Gone awayBut I won't cry for yesterday

There's an ordinary world

Somehow I have to find

And as I try to make my way

To the ordinary world

I will learn to survivePapers in the roadside tell of suffering and greed

Fear today, forgot tomorrow

Besides the news of holy war and holy need

Ours is just a little sorrowed talk(Just blown away)And I don't cry for yesterday

There's an ordinary world

Somehow I have to find

And as I try to make my way

To the ordinary world

I will learn to surviveEvery world is my world

(I will learn to survive)

Any world is my world

(I will learn to survive)

Any world is my world

Every world is our world
