These Times

Walk Off the Earth

I just don't want it
I just don't want it enough I guess
'Cause these times
Have never seen days like these
These times
Have never seen days like there
And if you saw it, you'd think I'd flaunt it
I just don't want it, I just don't want it
I'm not above it, I just don't want it
I'm not above it, my body loves it
I just don'e want it
