

Heartbeat (remixed by Alex Callier)

Hooverphonic

I tried to feel your heartbeat, but I failed
If I'd be more convincing you would stay
But now it's time to stop the lies
To go and walk away You tried to feel my heartbeat, but you failed
If you'd be more convincing I would stay
We left a while ago but now
We can no longer fake We're moving empty boxes, what a waste
We're moving empty thoughts, oh what a shame
'Cause this is not a home for us, just sheer
Waste of energy my dear We tried to feel a heartbeat, but we failed
If we'd been more convincing we would stay
This house is not a home for us
Just sheer waste of energy
My dear
