So What

Dee Snider

Caged
like a bird with a head full of rage
and a soul that don't need to be saved.
Not afraid
to be one as we stand on our own as they feed usthe pain.
It's their game.
All the lies that they try to control us, we're not gonna change.
Yeah we're strange.
Yeah we're strange.
Strange.
So what?
Middle fingers in the air
singing "we don't fucking care", when we say
so what?
You play us like we're fools.
Need to follow rules, but we say
so what?
We've been taking it too long
and now we are the ones who say
so what?
So what?
Fear
fear this voice in our brains, say's we're lost, we're insane, but we know we're not gonna change.
Yeah we're strange.
Yeah we're strange.
Strange.
So what?
Middle fingers in the air
singing "we don't fucking care", when we say
so what?
You play us like we're fools.
Need to follow rules, but we say
so what?
We've been taking it too long
and now we are the ones who say
So what?
So what?
So what?
So what?

Yeah, we know we're just strange.
Yeah, we're just strange.
So what?
So what?
So what?
So what?
Middle fingers in the air
singing "we don't fucking care", when we say
so what?
You play us like we're fools.
Need to follow rules, but we say
so what?
We've been taking it too long, and now we are the ones who say
So what?
So what?
So what?
So what?
Yeah, we're strange.
So What?
