

# God Is Coming (with Martin Smith) [Live]

## Jesus Culture

In this moment here I am  
All I have is in Your hands  
You stole my heart so I will wait for You  
Your fire of love is breaking through  
The old is gone there's something new  
You won my heart so I will wait for You Our God is coming  
We can hear the Heavens roar  
Hold on get ready for the glory of the Lord  
Here You come running to find me  
King of the universe  
Yes our God is the God who saves  
Here You come to light up the darkness  
Forever glorious  
Yes our God is the God who saves  
In a world that's torn apart  
Give us courage give us heart  
Only You can raise the dead to life  
Take our voices keep us strong  
Shake the earth with heavens song  
Only you can take whats wrong and make it right Great is the Lord  
You are Lord  
God is great
