

The Revolution(Back To The Heavyweight Jam 1999)

Scooter

What's up? What's up? Reminiscing sometimes
MC's on a mission, check it out
What's up? What's up? Representing the time
From now till then and we are back again
Yeah, here we go, yes, come on I'm damned, I'm hot and just can't stop
You can see my back 'cause I run like a shot
I'm damned, I'm hot and just can't stop
You can see my back 'cause I run like a shot
The revolution, the revolution, argh What's up? What's up? Transmission, no regret
MC's on a mission, check it out
What's up? What's up? Exciting the time
From now till then and we're back again, yeah
Get down, yes, c'mon I'm damned, I'm hot and just can't stop
You can see my back 'cause I run like a shot
I'm damned, I'm hot and just can't stop
You can see my back 'cause I run like a shot
The revolution, the revolution, argh
The revolution, the revolution, argh
