Colourblind

Skin

(M. Gray)
If I'm black or white, dark or light, do you mind
Is there anything that I can say to change your mind
We're all the same colour under our skin
Open your eyes and let love in
Chorus:
Are you blind, then tell me why are you colourblind?
Are you blind, then tell me why are you colourblind?
Is it prejudice, or ignorance in your mind
Would you walk away and turn your back on mankind, yeah
Answer my question, I'm begging you, please
Show me the cure for this social disease
(chorus)
Tell me why, why are we colourblind? Tell me why, why are we colourblind?
I said, I said, yeah yeah, why are we colourblind?
Tell me why, why are we colourblind?
Why are we colourblind? Why are we colourblind? Why are we colourblind?
Yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah yeah
Why are we colourblind, yeah, oh oh oh
