# The Air That I Breathe

## Maroon 5

People never change,
They seem to stay the same.
They wear different clothes,
But play the same games.Many different ways
To say the same thing.
Searching for the right words,
The ones that would make you stay.Exchanging the way things were
For they way that they should be,
Yeah.
And choosing theses words
Is saying to her,
The things that she never heard
But always deserved.I figured what it is all about.
It's you that I could never live without.
Your everything,
The air that I breathe.
Stupid not to know it all along,
And everything I ever did was wrong.
Sadly it's too late for sorry.Oh I'm not even really sure
Who made this mess,
And who threw what punch,
But I could not care less.
All I know is that I'm here
And you are not, oh
Once I put this wasted pride aside,
Nothing's all I got, ohExchanging the way things were
For they way that they should be, yeahAnd choosing theses words
Is saying to her,
The things that she never heard
But always deserved.I figured what it is all about.
It's you that I could never live without.
Your everything,
The air that I breathe.
Stupid not to know it all along,
And everything I ever did was wrong.
Sadly it's too late for sorry.Oh,
Somebody make it stop
Yeah
And pick me up,

And just dust me off, oh
The rainy day flood,
Will drowned all this love.
Trapped at the bottom now
Please dig me up.I figured what it is all about.
It's you that I could never live without.
Your everything,
The air that I breathe.
Stupid not to know it all along,
And everything I ever did was wrong.
Sadly it's too late for sorry.I figured what it is all about.
It's you that I could never live without.
Your everything,
The air that I breathe.
Stupid not to know it all along,
And everything I ever did was wrong.
Sadly it's too late for sorry.
