

# Heartbreaker

## Tank

Let me share the sun with you now  
Baby girl, tell me how again am I supposed to trust you now  
After everything you admitted to me?  
And I'm sitting here tryna find a way to forget somehow  
'Cause I'm feeling like you cut me too deep  
Gotta blame myself 'cause I told you lay it on the line  
Never thought that you would lay it that way  
Never thought you had so much to say  
Never thought that I'd see the day  
Where we'd almost crossed the line 'tween love and hate  
Are you sure you told me everything?  
Even though it hurts, I'm listening  
I'm tryna take it like a man and halfway understand  
Being hurt wasn't part of the plan  
It was a heartbreaker  
Hearing things I didn't wanna hear from her  
Now I'm thinking 'bout the things I did for her  
Glad I never ever had no kids with her, this heartbreaker  
'Cause I damn near swallowed my tongue when she  
said it to me  
Heart started pounding like a drum when she said it to me  
Thought the truth was something I could take  
But it wasn't supposed to feel like a heartbreak  
Now the fact of the matter is I thought that I'd be cool  
After everything you admitted to me  
It's taking everything of me not to put my hands on you  
'Cause I'm feeling like you cut me too deep  
Gotta blame myself 'cause I told you to lay it on the line  
Never thought that you would lay it that way  
Never thought you had so much to say  
Never thought that I'd see the day  
Where we'd almost crossed the line 'tween love and hate  
Are you sure you told me everything?  
(Don't need no surprises now)  
Even though it hurts, I'm listening  
(I'm hurting, I'm tryna hide it)  
I'm tryna take it like a man  
And halfway understand  
Being hurt wasn't part of the plan  
It was a heartbreaker  
Hearing things I didn't wanna hear from her  
Now I'm thinking 'bout the things I did for her  
Glad I never ever had no kids with her, this heartbreaker  
'Cause I damn near swallowed my tongue when she  
said it to me  
Heart started pounding like a drum when she said it to me  
Thought the truth was something I could take  
But it wasn't supposed to feel like a heartbreak  
I've had my share of broken hearts  
But girl, you took it too far  
'Cause what you did to me was so unpredictable

Yeah, you told me but I wish I didn't know  
Now why you wanna go and break me down, down, way down?

It's like I'm lost, never to be found

And it ain't like I'm six feet under the ground, ground

You didn't have to tell me 'cause 'Cause I damn near swallowed my tongue when she said it to me

Heart started pounding like a drum when she said it to me

Thought the truth was something I could take

But it wasn't supposed to feel like a heartbreak  
It was a heartbreaker

Hearing things I didn't wanna hear from her

Now I'm thinking 'bout the things I did for her

Glad I never ever had no kids with her, this heartbreaker  
'Cause I damn near swallowed my tongue when she  
said it to me

Heart started pounding like a drum when she said it to me

Thought the truth was something I could take

But it wasn't supposed to feel like a heartbreak  
No, wasn't supposed to feel

Wasn't supposed to feel like a heartbreaker

Wasn't supposed to feel

Wasn't supposed to feel like a heartbreaker

Wasn't supposed to feel, wasn't supposed to feel
