

Walk On Down

Aerosmith

Yeah yeah You wonder why you got holes in your shoes
You wonder why they got more money than you
You wonder why you got nothin' to lose
It makes no sense, don't try to figure it out
You gotta walk on down
Walk on down
Walk on down
When you're shit outta luck
There's just one thing to do and that's
Walk on down
Walk on down
Walk on down
When you're shit outta luck
There's just one thing to do and that's
Yeah Well, she says that she loves ya
In your mind there's no doubt, but
You feel like a stranger
When the lights go out
As you lie there awake
You think this ain't no gift
Don't try to figure that weight's too heavy to lift
You gotta walk on down
Walk on down
Walk on down
When you're shit outta luck
There's just one thing to do and that's
Walk on down
Walk on down
'Cause I got no time to lose
It's my life if I choose
Put on my walkin' shoes
Yeah yeah yeah yeah yeah Walk on down
Walk on down
Walk on down
When you're shit outta luck
There's just one thing to do and that's
