

Yes I Will

Bebo Norman

In the passion of Your sacrifice
I saw the prophecy fulfilled
The Healer of the world, the wounded Christ
I heard You say, come follow me
So I will, yes I will Follow You Jesus all the way up that hill
Follow You Jesus all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You Lord, I will On the sacred path You bled for us
Scored and broken up that hill
How terrible the cross, how glorious
(How glorious)
I heard You say, come follow me
(Follow me)
So I will, yes I will Follow You Jesus all the way up that hill
Follow You Jesus all the way up that hill
To the cross where the river runs
Crimson even still, yes I will
Follow You, Lord I will, yes I will
(I will, I will) In my weakness when I feel afraid
Hear me Jesus when I call Your name
Won't You help me Lord? Won't You help me Lord?
Please help me Lord
(Please help me Jesus)
Can You help me Lord?
(Please help me Lord) Follow You Jesus all the way up that hill
Follow You Jesus all the way up that hill
(I will follow all the way)
To the cross where the river runs
Crimson even still, yes I will
Follow You, Lord I will, yes I will
(Follow You, I will follow you, I will follow you)
I will Help me Jesus when I feel afraid
