

Better Than You

Metallica

I look at you, then you me
Hungry and thirsty I wait
Holding the lion's share
Holding the key
Holding me back 'cause I'm striving to be

Better than you (better than you)
Better than you (better than you)

Lock homes I push, and I strive
Somehow I feel more alive
Bury the deep forest
Bury the sea
Bury me deep when there's no will to be

Better than you (better than you)
Oh Better than you (better than you)

Oh, can't stop this train from rolling
Oh, yo, nothing brings me down
No, can't stop this train from rolling on and on, on
No, no, forever on and on

Oh, can't stop this train from rolling
Oh, yo, you can't take it down
No, never stop this locomotion on and on and on
No, no, you can't bring me down 'cause I'm

Better than you (better than you)
Better than you (better than you)
Oh better than you (better than you)
Better than you (better than you)
Much better than you

Better than you (better than you)
Oh better than you (better than you)
Better than you (better than you)
Better than
Better than
Better than

Better than you
Yeah

Can't stop this train from rolling

Forever on and on and on and on and on
Forever on and on and on

Better than you
Yeah
Haha
Better than you
