Pee Wee's Place

Jerry Lee Lewis

There's a jumpin' little joint out in West Nashville
If the barbecue don't get you where the music will
It's called Pee Wee's Place and they're open from nine till dawn
If you drop by, brother, there's some shakin' goin' onWe get all kinds of people as the night goes on
Rednecks and the hippies, both are right at home
Politicians, truck drivers, factory workers too
You can be a cop out here don't matter what you doWe gotta four piece band and we play real loud country soul
While rockin' and we be so proud
Let me play and sing, do what we want to do
Oh, the crowd all love us when we're rockin' boogie woogie too
Let me rock it for you nowHey, go, hey, hey, in other words by the bar
And drink corn liquor from an old fruit jar
That's what it's all about whip this little yo yo
Well, he just got out of jail, the boy's movin' kind of slow
Blow your harp, boyPee Wee's place raising hell, he thinks the band is too loud
He's a bitchin' too much 'cause he's drawing a crowd
Pulling a lot of good music and a whole lot of shaking going on
Out at Pee Wee's Place where you can get it all night long
Play your guitar, sonOh, let it roll, let it roll, all night long
Let it roll, let it roll, all night long
Let it roll, let it roll, all night long
Give it to me, give it to me all night long
Come on now give it to me all night longBoogie Woogie going to get you and if that ain't good enough
Jerry Lee's going to show you how to get real tough
Out at Pee Wee's Place, we're hangin' in all night long
Hey, give it to me, baby, there's some sha-sha-shaking going on
Give it to me now, go
