

The Vagabond (feat. Beck Hansen)

Air

Golden waves
In all directions
I could lose my soul right here
Color lights
On the runway
Makes a stranger feel unchained I'm running after time and I miss the sunshine
Summer days will come happiness will be mine
I'm lost in my words I don't know where I'm going
I do the best I can not to worry about things I feel loose
I feel haggard
Don't know what I'm looking for
Something true
Something lovely
That will make me feel alive I'm running after time and I miss the sunshine
Summer days will come happiness will be mine
I'm lost in my words I don't know where I'm going
I do the best I can not to worry about things Like a vagabond through the distance
Looking for a song to sing
A song that lasts all night
And for the rest of our life's I'm lost in my words I don't know where I'm going
I do my best I can not to worry about things
I'm running after time and I miss the sunshine
(I'm running after time and I miss the sunshine)
Summer days will come happiness will be mine
(Summer days will come happiness will be mine)
I'm lost in my words I don't know where I'm going
(I'm lost in my words I don't know where I'm going)
I do the best I can not to worry about things
(I do the best I can not to worry about things) I'm running after time and I miss the sunshine
(I'm running after time and I miss the sunshine)
Summer days will come happiness will be mine
(Summer days will come happiness will be mine) Oh, shit!
