Together

Ella Eyre

(It's all right, all right...)

Many times it's been all been said and done
In the end it's the fight that's just begun
Understand that it's days like these
When the world is so hard to please
It knew my heart has find a home

It's not about me
It's not about who I want to be
It's not about you
You know that we are better off as two

Because we are, we are, we are, we are born
We are, we are, we are, we are born
Together (It's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together

These games they will always end the same
Neither you or I will take the blame
Sometimes we've gone too far
I like the way we are
Right here I give your heart a home

It's not about me
It's not about who I want to be
It's not about you
You know that we are better off as two

Because we are, we are, we are, we are born
We are, we are, we are, we are born
Together (It's all right, all right)
It's all right (it's all right, all right)

It's all right (it's all right, all right)
It's all right (it's all right)
Together (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together

It's not about me
It's not about who I want to be
It's not about you
You know that we are better off as two

Because we are, we are, we are, we are born
We are, we are, we are, we are born
Together (It's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together

Because we are, we are, we are, we are born
We are, we are, we are, we are born
Together (It's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right, all right)
It's all right (it's all right)
Together
