

# Shoplifter

## Quintron

Shoplifter, you'll never learn  
When you commit the crime  
Shoplifter, you're getting burned  
And now you gotta do the timeIt's a 1 2 3 on the felony  
Well, not everything is free  
Now that you served the community  
It's the life of a petty thiefIt's not considered stealing  
Unless you're getting caught  
But it isn't called stealing  
Tryin' to take something you haven't gotShoplifter, you'll never learn  
What lies behind your back  
Not a burglar or a bank robber  
Just a kleptomaniacIt's not considered stealing  
Unless you're getting caught  
But Jimmy caught stealing  
Tryin' to take something you haven't gotShoplifter, you'll never learn  
When you commit the crime  
Shoplifter, you're gettin' burned  
And now you gotta do the time  
Oh, now you gotta do the time  
Oh, now you gotta do some time
