Tell Me It's Over

Meese

Is this, is this the start of it?
Has this become the part of it?
Maybe we should've slowed down.
It was the taste of it and this
is how we wasted it.
Maybe we'll get it back somehow.It made me furious.
You said that if we buried this.
Never could dig up the past.
I couldn't handle it,
I thought I could dismantle it.
Maybe some things weren't meant to last.Kids of the frozen front range.
Carry the message if I fall.
Tell them we're moving on,
sorting out who our enemies are.I've seen it, you say I don't believe it, it's either or...Tell me it's over,
everything you hoped for.
Tell me either way, I know you know I never let this go.You've got the upper hand,
wrapped tight around my neck again
and I can't get the words out.
If you were listening,
you'd hear the voice of reasoning
telling you walk away from this somehow.Kids of the frozen front range.
Carry the message if I fall.
Tell them we're moving on,
sorting out who our enemies are.I need this, you can't deny, you feel it
it's either or...Tell me it's over
everything you hoped for
tell me either way, I know you know I never let this.
And tell me it's over
everything you hoped for
tell me either way, I know you know I never let this go.O.K. in the first degree
there's nothing wrong with me x5Just tell me it's over,
everything you've hoped for.
Tell me either way, I know you
know I never let this.
And tell it's over,
everything you've hoped for.
Tell me either way, I know you know I never let this goO.K. in the first degree,
there's nothing wrong with me. x2
