Anything Goes

Druskii Dru

Anything Goes (Lyrics)

Iâ€™m trying to keep you off of me
temptation getting the best of me
my brain says
No the rest of me
is giving in
its guaranteed
to end the friendship-
can't you see
baby put back on your clothes
we're leaving here
so no one knows
not breaking hearts
let it go
I know itâ€™s hard
it starts to show
I'm crying out
here we go

you're my homie loves a friend
she my girl but I'm your man
and I ainâ€™t gone mess It up this time
giving up
although I'm trying
million smiles
inside I'm dying

And I know
that you're in love with me
and I know we can mess up everything
and she sees the way you stares at me
and he thinks somethings going on it seems

Bigger and Bigger the plot growing thicker(thicker)
Can't let her go we both on this liquor (liquor)
grabin my clothes she wants me to lick her (lick her)
lickin her lips she wants me to kiss her (kiss her)
tells me go slow then tells me quicker (quicker)
baby so wet she flows like a river(Mississippi)

touching her toes
she's thick like a snicker (snicker, snicker)
anything goes whenever I'm with her (with her

Right now,
is this how the story goes
back down
but you coming out your clothes
fight back
but you tell me don't resist
I try
canâ€™t believe that we are here
right here
now climb on top of me
make love
itâ€™s so wrong we both proceed
tears fall
now you're crying out my name
climax can't go back
we're both to blame

Bigger and Bigger the plot growing thicker(thicker)
Can't let her go we both on this liquor (liquor)
graben my clothes she wants me to lick her (lick her)
lickin her lips she wants me to kiss her (kiss her)
tells me go slow then tells me quicker (quicker)
baby so wet she flow like a river(Mississippi)
touching her toes
she's thick like a snicker (snicker, snicker)
anything goes whenever I'm with her.

Can't let her go we both on this liquor (liquor)
graben my clothes she wants me to lick her (lick her)
lickin her lips she wants me to kiss her (kiss her)
tells me go slow then tells me quicker (quicker)
