English

-
Beautiful oh beautiful
When Iâ€™m with you, I feel free
When you touch me,
you make me come back to life

I used to be pulled by time,
I used to live without meaning
But one day, you held onto me

and made me open my eyes

I used to just walk without thinking
But I stopped
the moment our eyes met
You looked so

Beautiful oh beautiful
When Iâ€™m with you, I forget everything
When I close my eyes in your arms
All scars go away
Beautiful oh beautiful
When Iâ€™m with you, I feel free
When you touch me,
you make me come back to life

Itâ€™s like my world has just begun,
as if I just woke up
Iâ€™ve started to see
everything again

What day it was,
what time it was, what season it was
I used to not know but now you woke me up
You looked so

Beautiful oh beautiful
When Iâ€™m with you, I forget everything
When I close my eyes in your arms
All scars go away
Beautiful oh beautiful
When Iâ€™m with you, I feel free
When you touch me,
you make me come back to life

Thinking about myself before I met you
I wonder how I used to live like that
I didnâ€™t know how to laugh out loud or to cry
I used to be expressionless with a deep emptiness
I didnâ€™t know even that was how it was
Living like that
Itâ€™s so sad now that I think about it
Itâ€™s such a relief that I met you, Iâ€™m so glad

I donâ€™t want a life without you now
A night without you is so long

No matter what happens
I pray that Iâ€™ll never lose you
Thank you, love you, you are my freedom
You heal all the sickness in my heart
Iâ€™ve been born again with your love
Never leave me

Beautiful oh beautiful
When Iâ€™m with you, I forget everything
When I close my eyes in your arms
All scars go away
Beautiful oh beautiful
When Iâ€™m with you, I feel free
When you touch me,
you make me come back to life
