One Hot Mess (Multiplayers Remix)

Malea

Vapors keep me spinning in the air
Burn like bright lights and I don't care
Fighting the fire, love me if you dare
I've got a feeling you're gonna take me there Vapors keep me spinnin' in the air
Bright lights burnin' and I don't care
You're just one hot mess
When I think about it
Can't live without it
That's what I love about it
You're just one hot mess
When I think about it
Can't live without it
Can't live without it
One hot mess
Vapors keep me spinning in the air
Burn like bright lights and I don't care
Fighting the fire, love me if you dare
I've got a feeling you're gonna take me there
Vapors keep me spinnin' in the air
Bright lights burnin' and I don't care
You're just one hot mess
When I think about it
Can't live without it
That's what I love about it
You're just one hot mess
When I think about it
Can't live without it
Can't live without it
One hot mess
When I think about it
Can't live without it
That's what I love about it
You're just one hot mess
When I think about it
Can't live without it
Can't live without it
One hot mess
