

Roadkill

Francophilippe

The feel of my arm around your waist
The pale blue nightdress that you wore oh oh
 Your hair in braids, your sailor top
The things that I don't see anymore no no
 You lost your suitcase in my hotel room
 A subway token from your mall
The sun reflecting off the water on your face
 And the way you drove your car
 All these things I can't forget
 Though I don't see you anymore
 Drove to the airport thru' a traffic jam
 A deer lay dyin' in the road
Maybe I should have seen it as some kind of sign
 Except I don't believe in them no more no no
 But I believe these things, I can't forget
 I don't see you anymore
 Ya, I believe these things, I can't forget
 'Cos I see them, though I don't see you anymore
