

Ruth Lorenzo

I remember the first time we met
 I was running late again
 I was covered in glitter; you were wearing your glasses I didn't hear a word you said I remember the room where
 we kissed,
 The way you were biting my lip
 When I see you smiling, you still got me flying
 You give me that butterfly effect. It's like 1999 again; we kiss like we're 16
 And then we drive to that John Legend song
 We dance without no music on It's like 1999 again; and we're drunk in love with no regrets
 And we're up until the break of dawn
 We dance without no music on
 It's like 1999, 1999, 1999
 (Ohhohhohhohh) It feels like, it feels like
 1999, 1999, 1999
 (Ohhohhohhohh) It feels like I'm a super mess when I drink
 Always trying to get you to sing
 We were up on the rooftop, taking our clothes off
 We were the only ones awake
 I know you like when I put up my hair
 And I'm in love with the shades that you wear
 From the very beginning, you still got me spinning
 You give me that butterfly effect I remember the first time we met
 I remember the room where we kissed
 When I see you smiling, you still got me flying
 You give me that butterfly effect
 It's like 1999 again, and we kiss like we're 16
 And then we drive to that John Legend song
 We dance without no music on It's like 1999 again, and we're drunk in love with no regrets
 And we're up until the break of dawn
 We dance without no music on It's like 1999, 1999, 1999
 (Ohhohhohhohh) It feels like, it feels like
 1999, 1999, 1999
 (Ohhohhohhohh) It feels like I remember the first time we met
 I remember the room where we kissed
 When I see you smiling, you still got me flying
 You give me that butterfly effect
 I remember the first time we met 1999, 1999, 1999
 (Ohhohhohhohh) It feels like, it feels like It's like 1999 again, and we kiss like we're 16
 And then we drive to that John Legend song

We dance without no music onIt's like 1999 again, and we're drunk in love with no regrets

And we're up until the break of dawn

We dance without no music onIt's like 1999, 1999, 1999

(Ohhohhohhohh) It feels like, it feels like

1999, 1999, 1999

(Ohhohhohhohh) It feels likeI remember the first time we met
