Rotational

Tuxedo

Round and round we go
(round and round, round and round)
I can't seem to get you off my mind
Hot and then we're cold
(up and down, all around)
I guess that's just the way it goes
RotationalWhen you play the game
It can lead to lots of fun
I'm just doing my thing
I didn't mean to hurt no one (oh no)
Back and forth like Cameo
Round and round we go
(round and round, round and round)
I can't seem to get you off my mind
Hot and then we're cold
(up and down, all around)
I guess that's just the way it goes
RotationalWhen you're playing the game
It can lead to lots of fun (oh baby)
I'm just doing my thang
I didn't mean to hurt no one (oh no)
Back and forth like Cameo
Round and round we go
(round and round, round and round)
I can't seem to get you off my mind
Hot and then we're cold
(up and down, all around)
I guess that's just the way it goes
