

Hold Up a Light (Progress Tour Live 2011)

Take That

You can dance if you like
You can sing every line of every song
No, you don't have to steal the show
It was your show all along As the orchestra plays
The people take the seats
There's no room left in this house
It's only you and me
And if life is your stage
I'll be watching [Chorus]
Hold up a light for me [Repeat x3]
Hold up a light for me ohhhh
I'll be watching
Hold up a light for me [Repeat x3]
Hold up a light for me ohhhh
And I'll be watching you. Everything that you do
As we start, rehearsing every scene
The words to everything
We realize that the crowd is listening
And then the tears, fall down on your face
In exactly the right place
