

Devil Woman

Cradle of Filth

Ive had nothing but bad luck
Since the day I saw the cat at my door
So I came into you, sweet lady
Answering your mystical call
Crystal ball on the table
Showing the future, the past
Same cat with them evil eyes
And I knew it was a spell she cast
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you from behind
Give me the ring on your finger
And let me see the lines on your hand
Well, I can see me a tall dark stranger
Giving you what you hadnt planned
I drank the potion she offered me
I found myself on the floor
Then I looked in those big green eyes
And I wondered what Id come there for
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you from behind
If youre out on a moonlit night
Be careful of them neighborhood strays
Of a lady with long black hair
Tryin to win you with her feminine ways
Crystal ball on the table
Showing the future, the past
The same cat with them evil eyes
Youd better get out of there fast
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you
Shes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you
Shes just a devil woman
With evil on her mind
Beware the devil woman

Shes gonna get youShes just a devil woman
With evil on her mind
Beware the devil woman
Shes gonna get you
