

Wake Up Edamame

The Burning of Rome

Wake up
Everybody
To the pressure
In your head

Wake up
Edamame
Time to usher
Out the dead

Ah,
Wait an hour
Ah,
Wait an hour

Wake up
Nostradamus
To the Melon
In your head

Wake up
Ole pastrami
There's a boy who
Is made of lead

Ah,
Wait an hour
Ah,
Wait an hour

(REPEAT)
