

Double Vision (Unplugged)

Foreigner

Feeling down n' dirty, feeling kinda mean
I've been from one to another extreme
This time I had a good time, ain't got time to wait
I want to stick around till I can't see straight Fill my eyes with that double vision, no disguise for that double vision
Ooh, when it gets through to me, it's always new to me
My double vision gets the best of me Never do more than I really need
My mind is racing, but my body's in the lead
Tonight's the night, I'm gonna push it to the limit
I live all of my years in a single minute Fill my eyes with that double vision, no disguise for that double vision
Ooh, when it gets through to me, it's always new to me
My double vision always seems to get the best of me, the best of me, yeah
