

Across the Universe

Across the Universe

Words are flowing out like
endless rain into a paper cup
They slither while they pass
They slip away across the universe
Pools of sorrow waves of joy
are drifting through my open mind
Possessing and caressing meJai guru deva om
Nothing's gonna change my world
Nothing's gonna change my worldImages of broken light which
dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a
restless wind inside a letter box
they tumble blindly as they make their way
across the universeNothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
