

Bad

Jamie Lynn Hart

I probably shouldn't give you what you want
Time will tell if I am right or if I'm not
You won't be the one to change your evil ways
Guess it's time for me to step up to the plate
Batter up let's go! Skin exposed to run your hand along my thigh
Now I'm barely breathing, can't open my eyes.
You insist that I'm the best you've ever had (best you've ever had)
So I take a deep breath, throw my head back
Why the hell does it feel so good being bad? Oh, oh, being bad, oh, oh
Oh, being bad, oh, oh
Oh, being bad While we're practicing this game we like to play
My ego falls in love with what you say
My beauty is your passion and your fuel
I'm an exception to the rules. And I say baby you know that don't make it right (that don't make it right)
But temptation says it's only for tonight (only for tonight)
So I take a deep breath, roll the seat back
Why the hell does it feel so good being bad? Oh, oh, being bad, oh, oh
Oh, being bad, oh, oh
Oh, being bad It all happen so fast, took a deep breath
Threw my head back
I knew it couldn't last
But I just have to laugh
It feels so good being bad Oh, oh, being bad, oh, oh
Oh, being bad, oh, oh
Being bad, oh, oh
Being bad
