

Bitter & Twisted

U.K. Subs

I'm so violent
I need mental guidance
I'm so bitter over you I go out drinking
It stops me thinking
'Cause I'm so twisted over you Get out of my way
I'm okay
I'm just bitter over you Fuck with me
You will see
I'm so twisted over you I got you a blow fish sushi
Just to see you die
I'm so bitter over you You went and got sick
But you survived
I'm so twisted over you Get out of my way
Yeah, I'm okay
I'm just bitter over you Fuck with me
You will see
I'm twisted over you Alimony came today
I'd rather die than pay
I'm so bitter over you I put a gun to my head
Pull the trigger and I'll be dead
I'm so twisted over you Fuck with me
You will see
I'm just bitter over you Get out of my way!
