

Love in the New Millennium (Your Pants My Couch)

You Say Party! We Say Die!

I love the colors that we are made of
The beds of light that peek out between
I love the space where your arms feel reaching
For my heart that glitters is flying I love the way you're mine
Because all the bad things I will sin
And taking me backseat so easy Oh my dear, you are so damn pleasing
Promise that you'll take me back forever
I'll promise you the same twice over
La, la, la, la, la, la, la, la Your love is my millennium
Your love is my millennium
Your love is my millennium
