All My Friends

Jacob Sartorius

[Intro]
All my friends are coming over (over)[Verse 1]
I wanna see all my friends
Chilling in the backyard
Doing what we want tonight again (Hey)
You know I wanna see you there
In your white jeans
Looking like a daydream that came to life (Ay)
Everybody's on their way so
What you waiting for?
[Pre-Chorus]
All my friends are coming over
And we ain't stopping 'til the street lights are shutting down
So come on and just stick with me girl for a minute
It's gonna be a wild ride admit it, 'cause
All my friends are coming over, over now[Chorus]
All my friends are coming over (over)
All my friends are coming over[Verse 2]
You know we're gonna live it up
We'll be non-stop rocking
And we can't start stopping 'til we get enough (Hey)
But I see you standing across the room
Do you notice me
Like I notice you?
Everybody's getting crazy
What you waiting for?[Pre-Chorus]
All my friends are coming over
And we ain't stopping 'til the street lights are shutting down
So come on and just stick with me girl for a minute
It's gonna be a wild ride admit it, 'cause
All my friends are coming over, over now[Chorus]
All my friends are coming over (over)
All my friends are coming over (over) now[Bridge]
Ay, ay, ay
Ay, ay, ay
It's gonna be a wild ride (wild ride) wild ride admit it
Ay, ay, ay
Ay, ay, ay
Gonna be a wild ride (wild ride)[Pre-Chorus 2]

All my friends are coming over
And we ain't stopping 'til the street lights are shutting down
You're only young for so long, so bring it
We only got one life, let's live it
All my friends are coming over (over) now[Outro]
All my friends are coming over (over)
Ay, ay, ay
Ay, ay, ay
All my friends are coming over, over now
